### 09.30 Welcome and Introduction

Dr Andrew Bateman - Oliver Zangwill Centre

### 09.35 Free Research Papers (2)

### 10.05 Symposium: "Bridging the type II gap: Service Implementation Research"

Dr Eivor Oborn - Judge Business School and  
Dr Alex Komashie - Engineering Design Centre

This symposium will illustrate the results of innovative CLAHRC collaborations with the Engineering Design Centre and the Judge Business School which have enabled those working in Brain Injury rehabilitation and Learning Disability to discover new ways of conceptualising and communicating research.

Dr Oborn will present her research into mechanisms of knowledge transfer enabling an understanding of barriers to knowledge implementation.

Dr Komashie will present innovative healthcare applications of tools that map complex systems activity. The meaning of *Design* when applied to healthcare services will be explored.
